Update for GROUP page:

1.Change the color to purple.

2.Delete the text of "衣橱" in the logo

3.Make the logo a little smaller

4.Delete the drop down menu

5.The top bar should be still at top of the screen when user scroll up or down the page.

6.DO NOT let the page zoom in or zoom out

7.Make the nick name and avatar a little bigger

8.Make the height of top bar to 90px or 95px

9.The GROUP page should be as below:

For this part (Top bar, nick name and avatar, quantity bar) the background color should be white. The background color of the next part in this page is light purple.
